We've talked to quite a few members who have had to mow this spring and the Golf Course is already looking great!

Our Grand Reopening Party is on **Wednesday, April 6th** and we sincerely appreciate all the names and addresses of potential members that you sent us. It should be a great party to show off our new clubhouse and how alive the club feels with so many members coming to the club more often. The party is from 5-8pm and although we will not have a la carte dining, we will have complimentary appetizers and house wine and beer.

We will be open every Wednesday for the rest of the year from 5-8:30pm for regular dining starting the next **Wednesday, April 13th.**

Our next two parties will be in May with Cinco de Mayo actually on **Thursday, May 5th** this year and Mother's Day brunch on **Sunday, May 8th.**

Please watch your email for more details.

It's never too early for reservations at 367-8849.

Hope to see you soon!

Easter Brunch 2016

CHEF'S CORNER

Chef Wes with the Easter Bunny

Spring is here, and we look forward to the many new ingredients that come with it. We are starting to buy more produce from the local farmers and purveyors that the area has been steadily cultivating. We are still getting local potatoes, kale, and greens and we are expecting asparagus, radishes, ramps and morels soon enough. Last year the morels didn't show up until much later than normal and it's just one of those things where Mother Nature holds the cards and we take them as they come.

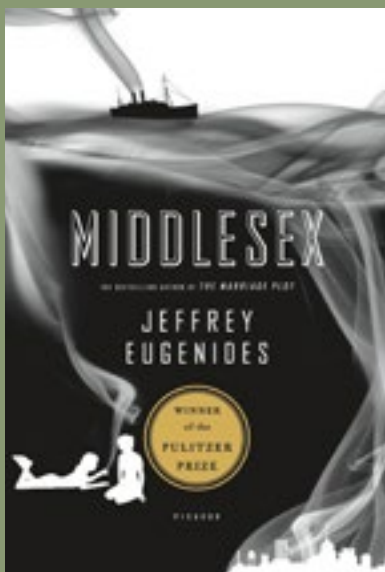

One of the newer purveyors that we have brought on is Midwest Lamb, which is owned and operated by Jenna Pohl. Jenna Pohl graduated from Lake Land College with a degree in Agriculture Production and Management and practices sustainable farming and humane handling practices. To learn more about Midwest Lamb follow this link to <http://www.midwestlamb.net>.

April Book Club

The next selection for the UCC book club is *Middlesex* by Jeffrey Eugenides. The book club meets on **Thursday, April 28th at 6:00pm.**

I am currently working on a new menu to bring us from spring into summer and it should start near the end of April. Thank you for your patronage.

Hope to see you at the Grand Reopening on Wednesday, April 6th.

Sincerely,
Chef Wes

From the **GOLF SHOP**

It's hard to believe, but we are officially one month away from the start of both men's and women's leagues. Those sign-ups can be found on the bulletin board in the hallway outside the golf shop. If you would like for me to sign your team up, just shoot me an email and I would be happy to do so. Women's league officially starts May 4th and men's league May 5th.

The opening women's kick-off dinner is scheduled for **Wednesday, April 27th**. There will be samples from Kate Lord, Greg Norman, and Nike Golf for attendees to take a look at. Please try to RSVP for this event by calling 367-8449 or just send me an email and I can sign you up. Also for the women there has been a change to the schedule. This season we are going to try to have the member-guest on a Saturday to help increase participation. The date has officially been moved from Wednesday, August 3rd to **Saturday, July 16th**. There will be more details to follow for this event.

The Titleist promotion for their ProV1 and ProV1x golf balls is in full swing. This incredible deal is buy three dozen get the fourth dozen free. This nets down each dozen to \$33 each, which is \$11 cheaper than regular Mill River pricing. Each order includes an imprint of up to three lines in your choice of ink color. Don't miss this great opportunity to get stocked up on the number one ball in all of golf. This promotion runs through **April 17th**. If you would like to place an order or have any questions don't hesitate to ask. I have the list of all of last year's orders so let me know how I can help.

As previously mentioned, our bulletin board is back in the hallway outside the golf shop. All sign-ups and schedules will be posted out there so if you miss an email or forgot an event date, you will be able to find all of the information on the board. Please don't hesitate to contact me if you have any questions concerning the golf operation.

Thanks,
Frank and the golf shop staff
